

What’s new at HGF

Welcome back to the HGF Quarterly News Update! We've had a fantastic year so far, and we're thrilled to share our upcoming events with you.

On May 4th, we hosted our inaugural Walk for Wellness Community Health Fair. It was a joy to welcome everyone and provide health screenings, dancing, yoga, and raffle prizes. We're grateful for the opportunity to unite the community and emphasize the importance of health and wellness.

Throughout the month of May, we hosted the 4th annual Hour Generation Foundation Virtual Walk for Wellness Journey. This was an opportunity to move for something that matters—whether it's for mental health, physical wellness, self-love, or in memory of a loved one. We had an amazing month, and would like to say a big thank you to everyone who participated!

In June, we proudly hosted our first Etiquette Dinner, presented by J.E.W.E.L.S. At Hour Generation Foundation, we believe in teaching the next generation essential skills like self-care, financial education, and table manners.

J.E.W.E.L.S. is a monthly HGF mentoring program held during the school year that empowers young girls ages 10-18 to navigate the journey from adolescence to young adulthood. Established in October 2019, we at Hour Generation Foundation saw the need to support young girls, offering experiences to help them grow into remarkable young ladies and future community leaders.

This program will continue this fall. For more information about our J.E.W.E.L.S. program, please contact Beverly Grant-Holston at beverlygrant.holston@hourgeneration.com.

Last month, we began our Parenting Program Series focused on covering a range of topics and provide research proven practical tips for everyday parenting. Our next sessions will be August 31st, September 14th, and October 12th.

The summer session for our Tutoring Program for all students in PG County has begun! This program ends August 1. For more information, please contact mary.johnson@hourgeneration.com.

Recently, we collaborated with the KABOOM team to prepare for our Palmer Park Build. We can't wait to introduce a brand new play space to our community!
