

Dear HGF Supporters and Volunteers,
We are thrilled to unveil the inaugural edition of our quarterly online news update. This online news update has been designed to keep you informed and engaged with all of the wonderful happening at Hour Generation Foundation throughout the year. 2024 has been one of our most exciting years to date, having already been blessed to serve over 1000 individuals through our 4 pillars of service in this first quarter of giving through our MLK, Hour Storytime, Hour Tutoring, Math Hoops, JEWELS mentoring, and Portland Trail Blazers giving programs.

As we embark on this exciting journey, we express our deepest gratitude for your unwavering support and dedication to our mission over the last seven years. Your commitment fuels our efforts to make a meaningful impact in our community, and we couldn't have done it without you.
