ETIQUETTE BRUNCH

at La Grande Boucherie

This year, we hosted our second annual Etiquette Event! This event was created to not only teach staple etiquette skills, but to instill confidence in youth that they will be able to utilize in any situation. Thank you to everyone who attended and volunteered! Special thanks to the event facilitator, Debra Plummer!

COMMUNITY HEALTH FAIR

Thank you to everyone who participated in our Community Health Fair this year! We were so excited to introduce Wellness brands and practices to our community. We truly appreciate everyone involved, and hope to see you next year!

## SUMMER PROGRAM HIGHLIGHTS

HOURLY GENERATION FOUNDATION SUMMER PROGRAMS

KNIGHTS MENTORSHIP PROGRAM

With participants from ages 5 to 14, the KNIGHTS Mentorship Program is tailored to the needs of each student, providing them with preparation and guidance as they navigate school, life, challenges, and triumphs. A recent trip to the Electric Vehicle Grand Prix was a highlight of this summer's session!

FLYING HIGH AVIATION PROGRAM

This summer, we were excited to welcome a cohort of students learning to fly commercial drones! Students trained all summer to take the FAA 1107 Unmanned Aircraft Certification Test. Special thanks to instructor Col. George London.

MANGA CREATIVE ART PROGRAM

We are so proud of continuing students in our Manga Creative Art Program! Excelling in progressive classes, building specific visual arts skills and learning storytelling, we're so excited to see how their art continues to grow. Congratulations to our students!
